FINISHES

TIMELESS BEAUTY

The dark patina of oil-rubbed copper. The bright, modern sheen of sterling. The industrial confidence of brushed satin. Our classic finishes enhance the comfortable, elegant feel of your favorite rooms. From the vibrant warmth of brass to the understated elegance of pewter, metal uniquely conveys character. Paloma Pewter tiles retain a living finish which enhances their beauty over time through the natural aging process. No matter which of our eight exclusive finishes you choose, each tile is antiqued, buffed, and inspected by hand at our foundry. Because we cast each order exclusively for you, each piece retains the subtle variations that are the hallmark of hand-finishing. We create works of art with craftsmanship and consistency; qualities you expect from Paloma Pewter.
